

## WorkCompCollege Pre-Registration

The WorkCompCollege.com Workers' Recovery Professional Certification Course is currently under development and is scheduled to be available in mid-November, 2022. *Our tuition cost will be \$995 per student, and it is estimated the entire course will take on average 3 months to complete* (based on a student working a full-time job while enrolled).

You can pre-register for this program today and recognize substantial savings. *Our current pre-registration tuition rate is only \$595.* This pre-registration rate will increase as the release date gets closer, so the earlier you commit, the more you will save. *You may pre-register here today, save \$400 off the planned release price, and be one of the first to secure your spot for the new and exciting Workers' Recovery Professional Certification from WorkCompCollege.com.*
