ABOUT US

The Medicare Secondary Payer Accreditation (MSPA) program offers nine courses on Medicare Secondary Payer (MSP) principles, covering topics like Medicare Set-Asides, conditional payments, and mandatory insurer reporting under Section 111 of the Medicare, Medicaid, and SCHIP Extension Act of 2007.

Designed for both new and experienced claims professionals, including adjusters, attorneys, paralegals, nurses, and students, the course provides a foundation in MSP compliance, detailed insights into MSP case law and federal regulations, and practical application for settlements involving Medicare beneficiaries.

MSPA benefits include comprehensive online learning with the flexibility of self-paced study, regular updates on MSP developments, and direct access to the Sanderson Firm's instructors for guidance. It's suited for individuals seeking to deepen their MSP knowledge and organizations aiming to train their teams with expert-led instruction. MSPA stands out for combining the convenience of online education with the interactive advantages of traditional learning.

If you or your organization desires to learn from the best in the industry, MSPA is the perfect fit.

COURSE CATALOG

Introduction to Medicare Secondary Payer: An overview of MSP principles and the legal framework.

Medicare Set-Asides (Part 1): Fundamentals of set-asides for future medical expenses.
