

The MSPA program delivers a comprehensive foundation in Medicare Secondary Payer (MSP) compliance through ten online modules covering key areas such as Medicare Set-Asides, conditional payments, and Section 111 mandatory insurer reporting. Designed for both new and experienced professionals including adjusters, attorneys, paralegals, nurses, and students, the program blends legal insight, case law, and real-world application to strengthen understanding of MSP responsibilities in claims and settlements.

Fully online and self-paced, MSPA allows learners to progress on their own schedule while maintaining access to Sanderson Firm instructors for expert guidance. Participants benefit from regularly updated course content, practical tools, and a flexible learning environment that mirrors the interactivity of traditional instruction. Whether you're advancing your career or training a team, MSPA equips professionals with the knowledge and confidence to excel in today's evolving MSP landscape.

At MSPCollege, we bridge industry expertise with accessible learning. Our fully online, self-paced certification programs empower professionals to master Medicare Secondary Payer compliance and elevate their careers through credible, practical education.
